

1915(i) Policy

Rates

The agency's fee schedule rates for all of the 1915(i) services are published on the State's website:

<http://www.nd.gov/dhs/services/medicalserv/medicaid/provider-fee-schedules.html>.

The 1915(i) service rates were established by comparing the services to similar covered Medicaid services. Medicaid will pay the lower of billed charges or fee schedule established by the state agency.

Payment to private and non-state governmental providers will be based on the lower of billed charges or the fee schedule established by the state agency.

Payment to state government providers will be based on the cost of delivery of the services on a prospective basis as determined by the single state agency from cost data submitted annually by state government providers. Allowable costs will be determined in accordance with the Medicare Provider Reimbursement Manual.
